

Welcome!
Winter 2009/10 swim team season
Brillionbluedolphins.com

Thank you for joining this swim season! We are excited to get started. A couple of new things this season will be our new assistant coach Lauren Polkinghorne. Along with Naomi Villaca, who will be home for Christmas break, Lauren will be helping out the team all season. She is a former team member and is currently a Brillion HS student. Welcome Lauren!

One other new item is that we will be attending the Manitowoc YMCA's winter invitational. As of this week (11/15) there have been 8 teams committed to attending! This will be an exciting meet with new teams to compete against! More info on this meet to follow...see attached Schedule.

As always, please check the website for directions and more information about each meet. We are currently working on some formatting glitches, if you have problems and cannot view it properly let me know and I can get hard copies of info to you.

Thanks so much and please remember if you have any questions or problems during the season see me!

Thanks everyone! -coach Jody Schwarz
